ALUMET

Alumet is a specialist in anodizing aluminium.

This dutch company is wellknown for a its knowlegde of anodization and its own techniques and colourings. For Gardelux, Alumet has reached new heights by anodizing aluminium wardrobe frameworks in gold, bronze and silky raspberry red.

BN

As one of the leading brands in the world for both contract wallcoverings as well as residential wallcoverings, BN is a trendsetter for many decades in the business for wall and cover decoration. Wonderful wallpapers from the Dimensions Collection are perfectly in balance with Kabuki Collection wall elements, both designed by Studio Edward van Vliet.
